Dear Stan,

Thanks for your note of the 5th.
Syb and I are very pleased about our
upcoming trip to Kentucky with you and Pat.

You can expect me to be coming up your
drive about 5 PM (possibly a little later) on April
29th. I will be on my way from San Diego
to Newport and will fly out of National at
noon Sunday. I'll plan to ride down to the
Washington Hilton with you. The host at the
dinner that night will be [redacted]

[redacted] He will phone your counters a few
days before the event to leave his hotel suite #.

See you in a couple of weeks!!

Sincerely,

STAT
